

LGBT SUPPORT GROUP

Wednesdays

1:00 p.m. to 2:00 p.m.

Student Counseling Center

University Center Room 310

If you are lesbian, gay, bisexual, transgender, queer or questioning and would like a place to get support from other LGBTQ folks, join us! We'll spend our time discussing topics and issues that are relevant and brought up by the group including: coming out issues, identify formation, navigating being LGBTQ on Adelphi's campus, dealing with bullying or other forms of abuse/harassment, and accessing LGBTQ resources. You don't need to register beforehand or commit to attending each session. For more information, contact the SCC at 516-877-3646.
